1. Introduction

The report presents the workshops and roundtable meetings organized by the consortium partners during the implementation period. The objective was to conduct at least 9 workshops or roundtables hosted by HEIs and at least 6 organized by company partners. The following chapter describes the activities carried out during the project, including the dates, discussion topics, images from the events, and web links promoting them.

2. Workshops and roundtables organized by HEI partners

During the implementation period of the NextGEng project, a total of 9 workshops and roundtables were organized by the HEI partners. The target value mentioned in the project proposal for workshops and roundtables was 9.

The implemented workshops/roundtables are presented next.

2.1. 1st TUCN Workshop

The first CO-TUCN workshop was organized on 6 December 2023. At the event, a total of 19 students and teachers from TUCN participated. The main topic of the workshop was to inform the NextGEng opportunities for the students and promote the 3 CEL Projects implemented in the first round. The Agenda of the event is presented in Annex 1.

4. Conclusion

As part of the dissemination activities, the consortium partners organized **15 workshops and roundtables**, achieving **100%** of the quantitative indicator set in the project proposal. These events focused on topics relevant to the project's target groups. Participants included students, company experts, and higher education teachers, who were introduced to the project's objectives and specific activities. The main goals of the meetings were to share project results with the target groups, raise awareness of ongoing activities, and ensure the active engagement of all stakeholders.

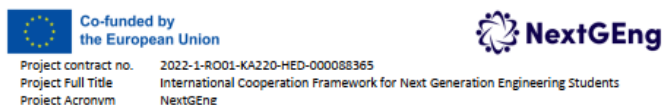

In Table 1, the obtained quantitative and qualitative indicators are presented. It can be observed that all indicators were achieved.

Table 1. Qualitative and quantitative indicators for A6.5

Indicator code	Qualitative/Quantitative indicators	Result
Q1	- all created events are promoted to target groups using social media platforms and project website	- achieved 100% <i>Details:</i> all workshops and roundtable have been promoted using the NetGEng website and/or project's social media platforms
Q2	- all created events have presentations of project planned activities/project results/project good practices	- achieved 100% <i>Details:</i> the agenda of the meetings includes presentations of project planned activities and/or project results and/or project good practices
Q3	- 9 workshops or roundtable meetings organized by HEI partners	- achieved 100% <i>Details:</i> HEI partners organized 9 workshops/roundtables
Q4	- 6 workshops or roundtable meetings organized by company partners	- achieved 100% <i>Details:</i> company partners organized 6 workshops/roundtables
